Two Child Witnesses are Taken into Emergency Police ‘Protection’

November 2014: Based on my website for the [Association of McKenzie Friends](#)¹ and [32 others](#)² campaigning for *Open Justice*, Russian mother Ella Draper contacts me after her two children had been taken into care by Barnet Police on 10.09.14. She had sacked two solicitors and sent me an [initial document](#)³ she had compiled from conversations with her children over holidays. Their father had threatened to kill them if ever they were to ‘talk’.

70+ Children remain at Risk and how many Babies?

I count **175** adults whom her children accuse of being abusers in a cult whose leader is their UK father. The cult includes **16-20** Officers from **16** Police Stations, **30** teachers and other staff from **8** schools, clergy from Christchurch Hampstead, **20** ‘special’ children adopted for the purpose of abuse, **72** children altogether and **71** parents.

The then aged 8 and 9 children are still in foster ‘care’ under LB Barnet with the father having contact and the mother in forced exile. After I assisted the mother virtually full time for 3 months, she realised in a hearing when [Belinda McKenzie](#)⁴ assisted her, that *Mrs Justice Pauffley* had no intention of returning the children to her with whom they had lived all their lives. Hence our last resort was to ‘go online’ which we had announced in the [Position Statement](#)⁵ I had written.

My Google Drive contained home produced and Police videos of the children’s testimonies with drawings of the genitals of their abusers. I sent the link to the Drive to the Home Secretary and a blogger. I think I also published this email on the petition to [Return the Whistleblower Kids to their Russian family](#)⁶.

That contributed to what *Pauffley* estimated to be 4 million video viewers in her judgment which denies all allegations, calls the internet community “evil and / or foolish” and mentions me in paras 20 and 57.

She published a press release of [her judgment](#),⁷ used [Victoria Derbyshire on BBC TV](#)⁸ to present the father as innocent and BBC Radio 4 to mis-represent me in “[The Satanic Cult that wasn’t](#)⁹”. I was never told the title of the program. The withdrawal of my consent was overridden “in the public interest”.

Corrupt Institutions and Officers in Chronological Order

Before ‘Forced Exile’ to Avoid Imprisonment by Secret Family Court

1. **LB Camden** initiates Family Court proceedings and transfers to LB Barnet.
2. **LB Barnet** causes forced exile with [threat of prosecution](#)¹⁰ in SECRET family court on 10.02.2015: a German national, I travel to my nephew’s flat in Berlin.
3. **High Court Judge JJ** signs Penal Notice with [threat of imprisonment](#)¹¹ in SECRET family court on 10.02.15.

4. **Barnet Police** issues “Wanted for Discussion” (Arrest Warrant?) and Interpol Notice during Exile.
5. **Police** come to my flat, after I had left, ruining my relationship with landlord and neighbour.
6. **Barnet Family Court:** I write this [Affidavit](#)¹² which Ms Draper’s barrister did not want to defend. Hence she sacks him and relies on McKenzie Friends until she was forced into exile a day after I left on 10.02.15 because a van with 9 people in plain clothes and a medical kit appeared at her house. A lawyer fobbed them off in a recorded conversation, as they had no Warrant.
7. **Metropolitan Police:** I write a [Judicial Review](#)¹³ which results in these [Grounds of Resistance](#)¹⁴ - a denial of responsibility to re-investigate the case that Barnet Police closed with “*Crime not Confirmed.*”
8. **Judge Vera Mayer** transfers the case to *High Court Judge Anna Pauffley* in December 2015 without granting Contact over Christmas and ignoring the inequality of Contact between Father and Mother.
9. **Judge in Principal Registry Family Division:** I write this [Non-Molestation Order](#)¹⁵ and we are told to go back to the High Court.
10. **Emergency Judge in the High Court** passes the case to *Mrs Pauffley* who claims to have jurisdiction over both *Judicial Review* and *Non-Molestation Order* without addressing either.

Appealing to the Internet Community as the Last Resort

11. **High Court Family Division:** I wrote this [Position Statement](#)¹⁶ which the mother presents in the hearing on 26.01.2015 – with the “thinly veiled threat” [in her judgment] of [online exposure as last resort](#).
12. **Home Minister Theresa May** does not respond to [2 emails](#)¹⁷ alerting her to our petition to [Return the Whistleblower Kids to their Russian Family](#)¹⁸.
13. **DS Paul Speer of Barnet Police** telephones me in Berlin, asking when I’d return and whether I’m in touch with the mother. In a No Comment interview later, he said that the case is a “fantasy”. In June he had visited Belinda and threatened her with a little accident.
14. **High Court Listings Officer** refuses hearing via Skype to deal with my [Application to Set Aside](#)¹⁹ which still hasn’t been heard.

Appealing to MEPs in the Petitions Committee

15. **Petitions Committee of EU Parliament** put on its agenda our petition to [Abolish Adoptions without Parental Consent](#)²⁰ with 5,900 supporters, which I presented orally three times. This results in a fact-finding visit of 8 MEPs, a Resolution and a Plenary Debate. But it does not respond to:
 - a. [Using the Secrecy of UK Family Courts to cover up criminal activities](#)²¹ submitted in March 2015. Instead, the report is attached to the petition as an ‘amendment’ – without being ‘processed’.

- b. [Using Bail Conditions to Prevent online exposure of organise Child Sexual Abuse](#)²² results in the same non-action.

Appealing to the EU Commission

16. **EU Commission** does not respond to
- a. [Discrepancies between EU Directive 2011/92 and UK Family Court Law](#)²³ - *Combating the Sexual Abuse and Sexual Exploitation of Children and Child Pornography vs Systemic Patterns of Child Snatching and Forced Adoptions in the UK*;
 - b. [Handed personally](#)²⁴ to **Vice-President Frans Timmermans** in May 2015;
 - c. Reminded in letter to **Commissioner Vera Jourova** in May 2016 which results in a fob off response;
 - d. a [Request for Freedom of Information](#)²⁵ regarding the [Infringement Notice](#)²⁶ that the Commission issued against the UK Government about child sexual exploitation;
 - e. the [request for an internal review](#) has been pending with DG Just since November 2015.

The Judgment and the Mainstream Media

17. **High Court Judge Anna Pauffley** publishes her [judgment](#)²⁷ on 19.03.16.
18. The [Daily Mail](#)²⁸, [Guardian](#)²⁹, [Telegraph](#)³⁰, [Independent](#)³¹ pick it up and are followed by regional and local papers, incl. [Ham and High](#)³², while the internet community presents 'alternative views' and serious criticism of the judgment, especially on my blog [Whistleblower Kids](#)³³ which reached over 220,000 views and 1,600 followers since February 2015 - despite my 'lying low' due to the use of bail conditions as gagging orders.
19. The judgment reveals: **DC Alan Rogers 207875** conceals the videos and drawings as evidence, **DI John Cannon 189067** does not investigate this concealment and Judge Pauffley does not transfer jurisdiction to investigate fraud into an open criminal court with higher standards of proof.

The First Two Whistleblowers are Arrested

20. **Metropolitan Police** [arrest Christine Sands and Neelu Berry](#)³⁴ outside Ecuadorian Embassy 2 weeks after they attended a vigil at Christchurch. Sands gets fined and a suspended prison sentence and returns to the US. She continues to publish [Hampstead Christchurch](#)³⁵ exposing global paedophilia and satanism.

21. **DWP** stop my Pension Credit on 22.05.2015, as I'm away for more than 13 weeks since 10.02.15.
22. **Camden Council –Housing Benefits Section** stops paying after 13 weeks, but reinstate upon return.
23. **Ham and High** publishes 15 [defamatory articles](#)³⁶ about the mother and her partner *Abraham Christie*, *Belinda McKenzie*, myself and *Neelu Berry*.
24. **Eight Judges** hear Neelu's defence against allegations made after four arrests inter alia by arresting officer PC Betsy Davey. On 10 April 2015 I publish six 'Witness Statements' relating to her case on [Whistleblower Kids](#)³⁷. This causes the charge of 'Witness Intimidation' on 10 January 2016 – through an arrest on a Sunday, after midnight, incl. handcuffing.
25. **HHJ Paul Worsley QC** joins my case to hers on 07 March 2016 in Blackfriars Court.
26. **Internet Companies** actively support paedophiles and undermine supporters of the children's testimonies: **Google** delete videos from my Google Drive [a paid service], **Facebook** delete 2 accounts, **Change.org** delete 2 petitions, **Wix.com** and other companies delete websites and videos.
27. **Hampstead Research**³⁸ is examining the online presence of cult members but gets taken down. I have asked who the hosting company was.

My Four Arrests since Returning to UK – for Mother's Appeal Hearing on 04.08.2015

1. **Barnet Police** don't respond to my solicitor's requests for interview.
2. **Kentish Town Police** [arrest me at Royal Courts of Justice](#)³⁹ on 04.08.15 – tipped off by the Father's barrister and I am driven in Police van to Barnet – prevented from going to the toilet since I wanted to go at the RCJ.
3. **Barnet Police** – disproportionate bail conditions for 'Harassment' – for supposedly having published the list of abusers – which I have always denied – extend bail conditions and keep property seized.
4. **DWP** insist on new application rather than re-instating and revoke 'right of residence' which I appeal, aided not in my interest by the Community Law Centre.

Living off Charity while Conducting Legal Proceedings

5. **Camden Council** reinstate Housing Benefits but don't make a decision regarding the Exile Period from February to August 2015. My private landlord threatens with eviction and his solicitors harass me.
6. **Camden Council – Council Tax Section** – claims non-payments.
7. **Barnet Police** 're-arrest' on 21.12.15 for 'Malicious Communication' by my linking the words [Hampstead Scandal](#)⁴⁰ to an album of videos with the children's video testimonies where some videos mention some of the abusers by name. I take the videos down.
8. **Anonymous** throws brick at the front door of the building with two flats where I live.
9. **PC Betsy Davey** takes witness statement, introducing herself as 'Lauren', after a verbal assaults at a bus stop. I record the conversation on the tablet that Barnet Police seized and have still not returned, together with my passport and memory sticks.

10. **DC Chris Wall** does not respond to my email regarding the procedure of returning the outstanding property, while my solicitor is in hospital, after he did hand over the bulk of my property to a friend.
11. **Kentish Town Police** – 3rd arrest after midnight on Sunday on 10.01.16, after I had told the arresting officer PC Betsy Davey that my solicitor would contact her. Charged with ‘*Witness Intimidation*’ for having published [this blog post](#)⁴¹ on 10 April 2015. It contained six ‘Witness Statements’ relating to victim / whistleblower [Neelu Berry](#)⁴² with address details of the ‘witnesses’ in the body.
12. **CPS** breach Court directions and my solicitor files application for dismissal which was heard on 08.06.16. and adjourned until 23.06.2016.
13. **Kentish Town Police** – 4th arrest and de-arrest on 09.03.15 for not attending a hearing at Blackfriars Court. Video recorded by a friend who came to stay the night.
14. **DWP** refuse ‘Attendance Allowance’.
15. **First Tier Tribunal** – Fox Court – adjourns hearing on 25.01.16 but fails to inform both the *Community Law Centre* and myself about a supposed hearing on 14.03.2016 when I got a phone call. Since then I keep waiting for a new hearing. The new lawyer at the Kentish Community Law Centre Maureen Bello has asked not to have a hearing until she’ll return from holiday on 04.07.16.
16. **Wordpress.com** refuses to take down [Hoaxtead Research](#)⁴³ which was set up by some of the abusers to libel, slander and defame any supporter. I send a Letter Before Claim mentioning some of the victims.
17. **YouTube** host 5 defamatory channels and some 64 videos about anybody supporting the children’s testimonies. I send a Letter Before Claim.
